All lease payments must be guaranteed by a parent or guardian. If applicant is self-supporting and over 21, then an approved sufficient income statement will be required. Otherwise, a guarantor's statement must accompany the lease agreement.

Each Lessee is required to be covered by a renter's insurance policy to cover loss of personal property and to have liability coverage of at least \$500,000.00. Some may be covered by parent's home owners insurance. A copy of the policy or statement of coverage is required. Relatively inexpensive renter's insurance is sold by all major insurance companies.
